Dear Senior Ride Program Applicant:

Thank you for inquiring about our Senior Ride Program Services.

In order for us to determine your eligibility for medical transportation services we need you to do three things:

1. **If you are under the age of 72** and unable to manage riding on the public transit buses (MAX) because of your health or any other reason, complete the enclosed application for “Disabled Certification” (even if you do not receive disability benefits). You must have a professional (doctor, social worker, physical therapist, nurse, etc...) complete and sign the last page. **All pages must be fully completed with signatures.**
2. Provide us with a photocopy of your drivers license, nondrivers identification, birth certificate or any official document that includes your name and date of birth.
3. If you receive Social Security Disability, VA Disability or SSI benefits, provide us with a photocopy of your most recent benefits award letter.

These documents may be mailed, emailed or faxed to us.

THANK YOU
